

Members of the Research Group on Territorial Analysis and Tourism Studies (GRATET) have participated in the V Congreso Internacional en Gobierno, Administración y Políticas Públicas

Raquel Santos and Òscar Saladié, members of the Research Group on Territorial Analysis and Tourism Studies (GRATET - URV) participated in the **V Congreso Internacional en Gobierno, Administración y Políticas Públicas** held in Madrid (29 September - 1 October) and organized by the Grupo de Investigación en Gobierno Administración y Políticas Pública (GIGAPP).

Raquel Santos was the Chair of the Working Group P04: *Tourism policies*. The selected communications presented during the WG session were mainly from Spain and Latin America.

At the same time, Òscar Saladié and Raquel Santos presented a communication in the Working Group P16: *La planificación en materia de residuos municipales en Cataluña: resultados y objetivos de futuro*.
